#### 1. Recommendation:

1. That report FS 25-23, which outlines procurement awards \$250,000.00 and above for second quarter of 2023, be received as information.

#### 2. Highlights:

- In accordance with the Town's Procurement Policy, Council is to be provided a quarterly information report on procurements, valued at \$250,000.00 and above, awarded by staff under delegated authority.
- Table 1 outlines eight (8) procurement-related contract awards approved by staff, under the delegated authority provided for in the Procurement Policy, for Quarter 2, 2023.

#### 3. Background:

The Town of Whitby's Procurement Policy (Policy Number F 080), provides delegated authority for staff to award procurement contracts subject to all of the following conditions:

- a. There is sufficient funding in the Approved Budget;
- b. The procurement process was conducted in accordance with the Procurement Policy and all applicable procedures;

- c. For all Open Competition procurements, the Award is made to either the highest-ranking bidder or lowest priced (as applicable) Compliant Bidder in accordance with Town procurement procedures;
- d. The legal agreement, if required by the procurement, and any ancillary documents have been prepared in a form satisfactory to the Town Solicitor and Risk Management; and
- e. The Vendor has provided the required insurance, any required surety, Workplace Safety and Insurance Board certificates and satisfied the Town's AODA and Sustainability requirements, all in a form satisfactory to the Town.

The delegated authority provision allows for a more streamlined and efficient procurement process that allows projects to proceed (subject to procurements meeting the conditions above) in a timely manner.

To maintain transparency and accountability, the Procurement Policy requires quarterly information reporting on procurements, valued at \$250,000.00 and above, awarded by staff under delegated authority.
