3.3 Future Active Transportation

The Town's *Active Transportation Plan* (AT Plan), dated October 19, 2020, proposes active transportation (AT) routes within the study area. The following AT routes are proposed, which are also illustrated in Figure 8 (from Appendix A, Map 2 of the AT Plan): A signed bicycle route along Robert Attersley Drive; and multi-use paths along Garden Street, Baldwin Street and McKinney Drive. However, there is no indication of timeline.
