

The Town of Whitby

By-law # 8059-24

Traffic By-law

Being a By-law to Regulate Traffic and Parking on the Highways, Private and Municipal property within the Town of Whitby.

Whereas the Table within Section 11(11) of the Municipal Act, 2001, S.O. 2001, c.25, as amended, (the "Municipal Act") provides that the sphere of jurisdiction "Highways, including parking and traffic on highways" is assigned on a non-exclusive basis to all upper tier municipalities;

And whereas paragraph 11(2)(3) of the Municipal Act provides that, where a sphere or part of a sphere is assigned non-exclusively to an upper-tier municipality, both the upper and lower tier municipalities have the power to pass by-laws under that sphere or part of a sphere;

And whereas Section 63 of the Municipal Act authorizes that, where a municipality passes a by-law for prohibiting or regulating the placing, stopping, standing or parking of an object or Vehicle on a Highway, it may provide for the removal and impounding or restraining and immobilizing of any object or Vehicle placed, stopped, standing or parked on a Highway in contravention of the by-law;

And whereas Section 100 of the Municipal Act authorizes a municipality to pass by-laws to regulate or prohibit the parking or leaving of motor vehicles on private land used as a parking lot with or without the consent of the Owner;

And whereas Section 100.1 of the Municipal Act authorizes a municipality to regulate or prohibit the parking or leaving of Motor Vehicles on Private Property without the consent of the Owner of the land;

And whereas Section 102 of the Municipal Act provides that a municipality may require Owners and operators of public parking lots or facilities to provide designated parking spaces for Vehicles displaying an Accessible Parking Permit;

And whereas Section 102.1 of the Municipal Act and Ontario Regulation 333/07 (the "Regulation") authorize The Corporation of the Town of Whitby to require a person to pay an administrative penalty for a contravention of any by-law respecting the parking, standing or stopping of vehicles;

And whereas any by-law that establishes a system of administrative penalties with respect to parking, standing, or stopping of Vehicles must comply with the requirements set out in O. Reg. 333/07, as amended, made pursuant to the Municipal Act;

And whereas pursuant to O. Reg. 333/07 and Section 391 of the Municipal Act the Town may also impose fees or charges in connection with the administration of a system of administrative penalties;

And whereas subsection 439(2) of the Municipal Act may provide for a procedure for the voluntary payment of penalties out of court in cases where it is alleged that a by-law related to the parking, standing and stopping of Vehicles has been contravened;

And whereas section 7.1 of the Fire Protection and Prevention Act, 1997, S. O. 1997, c. 4 authorizes municipal councils to pass by-laws designating private roads as Fire Routes along which no parking of Motor Vehicles shall be permitted;

Now therefore, the Council of The Corporation of the Town of Whitby hereby enacts as follows:

- a) Highways under the jurisdiction of the Town;
 - b) Town facilities;
 - c) Municipal property; or
 - d) Private property.
- 2.2 Every Vehicle parked on a street or in a municipal parking lot shall be parked at the risk of its Owner and the Town is not responsible for any loss or damage to any Vehicle or its contents.
- 2.3 Where any expression of time occurs or where any hour or other period of time is stated, the time referred to shall be standard time except in periods when daylight savings time is in effect, in which periods, it shall be daylight savings time.
- 2.4 The Director of Engineering Services for the Town of Whitby or his/her designate is authorized to place or erect and to maintain such authorized and official signs, and ticket machines, as are required to give effect to the provisions of this By-law.
- 2.5 The Director of Engineering Services, or their designate, is authorized to issue permits for the movement on highways under the jurisdiction of the Town of Whitby of heavy vehicles, loads, objects or structures which are in excess of the dimensional limits or the weight limits set out in the *Highway Traffic Act, RSO 1990*.
- 2.6 No person shall place, maintain or display on any highway, any sign, marking or device which purports to be or is an imitation of or resembles an authorized or official sign; and,
- 2.7 No person shall place, maintain or display on any municipal parking lot, any sign or marking which purports to be or is an imitation of or resembles an authorized sign or ticket machine.
- 2.8 No person shall drive a motor vehicle upon a sidewalk, footpath or multi use path except for the purpose of directly crossing the sidewalk, footpath or multi use path.

- 2.9 No person shall on any highway drive any motor vehicle over any raised curb, except at a place where there is a driveway opening or private roadway.
- 2.10 No person shall on any highway drive any motor vehicle through a school crossing when the crossing guard has displayed a school crossing stop sign.
- 2.11 No person shall fail to remain stopped at a school crossing until all persons, including the crossing guards, have cleared the highway.
- 2.12 The Chief of Police and the Director of Engineering Services are hereby authorized to erect or place temporary “No Parking” and/or “No Stopping” signs on any highway.
- 2.13 The Schedules referred to in this By-law shall form part of this By-law and each entry in a column of such a schedule shall be read in conjunction with the entry or entries across therefrom and not otherwise.
- 2.14 That the Director of Engineering Services, or designate, be authorized to restrict the taxi stand locations identified in Schedule “A” and passenger drop-off/pick-up locations identified in Schedule “B” during an emergency maintenance event, or unforeseen circumstances, as required.
- 2.15 Unless otherwise specified, references in this By-law to parts, articles, sections, subsections and clauses are references to parts, articles, sections, subsections and clauses in this By-law.
- 2.16 References in this By-law to any statute or statutory provision include references to that statute or statutory provision as it may from time to time be amended, extended or re-enacted.
- 2.17 References in this By-law to items in the plural include the singular, and references to the singular include plural, as applicable, and the words “include”, “includes” or “including” are not to be read or interpreted as limiting the words, phrases or descriptions that precede them.
- 2.18 This By-law and the provisions contained within are intended to be complimentary to Provincial Statutes and other By-laws passed by the Town. In the event that any other applicable law requires a higher standard regarding the towing or impounding of vehicles than this By-law requires, the higher standard shall apply.
- 2.19 The provisions of this By-law shall not apply to ambulances, police, fire department or public utility emergency vehicles or vehicles engaged in works undertaken for or on behalf of the Corporation.

Standing Restrictions and Prohibitions on Certain Highways

- 5.1 Where authorized signs to that effect are displayed, no person shall stand a vehicle on any highway at the side and between the limits set out respectively in Columns 1, 2 and 3 of Schedule "D" to this By-law during the prohibited times or days set out in Column 4 of the said Schedule.

Article 6

Reserved for Street Parking Permits and Exemptions

- 6.1 Upon request, the Director of Engineering Services may grant exemptions to individual residents and their guests from specific parking regulations that apply to a particular location.
- 6.2 Every short term exemption granted in accordance with section 6.1 of this By-law shall only be valid for:
- a) the location;
 - b) the time frame; and
 - c) the duration in which the written exemption is granted.

Article 7

Fire Route

- 7.1 Upon written request by the Town of Whitby Fire Services Department, every Owner of a Private Roadway shall:
- (a) erect Signage in relation to any portion designated as a Fire Route by the Fire Chief or their designate by:
 - (i) affixing Fire Route Signs to the face of a building at a minimum height of 2m and a maximum height of 2.75m where the Fire Route abuts the face of a building; or
 - (ii) erecting permanent posts and affixing Fire Route Signs at a minimum height of 2m and a maximum height of 2.75m where the Fire Route abuts a Sidewalk or landscaped area.

- (b) failure to comply with the written request in Section 7.1 (a) of this By-law within ten (10) business days of the date of notice may result in the Town entering upon the lands to erect Signage at the expense of the Owner of the lands and the cost recovered by action or in like manner as municipal taxes.
- 7.2 Any portion of a Private Roadway providing access to or from a building where Signage has been erected and marked “No Parking – Fire Route” is designated as a Fire Route.
- 7.3 No person shall park or leave a vehicle within a Fire Route at any time.

Article 8

Permitted Angle Parking

- 8.1 Where authorized signs to that effect are displayed, angle parking in accordance with the provisions of Subsections 8.3,8.4 and 8.5 of this By-law is permitted on highways at the sides and between the limits set out respectively in Columns 1, 2 and 3 of Schedule “E” to this By-law.
- 8.2 The provisions of Subsections 4.1 and 4.2 of this By-law do not apply where angle parking is permitted under Article 8 hereof.
- 8.3 Where angle parking spaces are designated by lines painted on the roadway, no person shall stop or park any vehicle except entirely within an area designated as a parking space.
- 8.4 Where angle parking is permitted on a highway and parking spaces are not designated by lines on the roadway, no person shall stop or park any vehicle except at an angle of not less than 40 degrees and not more than 50 degrees from the curb or edge of the roadway.
- 8.5 Where angle parking is permitted on a highway, no person shall park a vehicle or permit a vehicle to remain parked on such highway except with the front end of the vehicle at the curb or edge of the roadway.

Article 9

Pay Parking

Parking Meters

- 9.1 Where a fee is stipulated for a given parking period in a parking space, the fee shall be paid for that period of time or any portion thereof and the period shall be as measured by the parking meter controlling such parking space.
- 9.2 The erection, maintenance and operation of parking meters on the highways, at the sides and between the limits set out respectively in Columns 1, 2 and 3 of Schedule "Y" to this By-law for the purpose of controlling and regulating parking during the days and hours set out in Column 4 of the said Schedule and the designation of parking spaces in connection with such meters, is hereby authorized.
- 9.3 Notwithstanding the provisions of any other section of this By-law, where parking meters have been erected under the authority of Subsection 9.2 of this By-law, no person shall park any vehicle in a parking space on any highway, unless the parking meter controlling such parking space is used, and a fee is deposited therein, or by approved authorized means, in accordance with the rate set out in Column 4 of the said Schedule or for a longer period than set out in Column 5 of the said Schedule.
- 9.4 Where parking meters have been erected under the authority of Subsection 9.2 of this By-law, no person shall park any vehicle in a parking space on any highway at the side and between the limits set out respectively in Columns 1, 2 and 3 of the said Schedule "Y" to this By-law during the days and hours set out in Column 4 of the said Schedule for a longer period than that set out in Column 6 of the said Schedule.
- 9.5 Where parking meters have been installed under the authority of Subsection 9.2 of this By-law.
 - a) If parallel parking is permitted, no person shall park a vehicle in a parking space unless the front of such vehicle is opposite to the parking meter provided for such space except that, in any case where two meters are mounted on the same standard, the rear of the forward vehicle shall be opposite to or as is practicable to the forward parking meter and the front;

of the rear vehicle shall be opposite to or as close as is practicable to the rear meter;

- b) notwithstanding clause 9.5 (a) of this By-law, if a single parking meter has been erected at the rear of a parking space, with respect to the direction of travel, no person shall park in such a parking space unless the rear of such vehicle is as close as practicable to the parking space meter;
- c) If angle parking is permitted, no person shall park a vehicle in a parking space unless the front of such vehicle is as close as is practicable to the parking meter for such space; and
- d) If a parking space has been designated by lines painted on the roadway, no person shall park any vehicle in such a manner that it is not wholly within the area designated as a parking space unless such vehicle is of such length or width as to render it impossible to park it in one parking space in which case the adjoining parking space shall, in addition, be used and the necessary fees shall be made in the parking meters provided for both parking spaces.

- 9.6 No person shall park a vehicle or permit a vehicle to remain parked in a parking meter space, or drop-off/pick-up zone or taxicab stand in a parking meter space if the parking meter has been covered by a parking meter cover to indicate that it is not to be used,
- 9.7 Notwithstanding the provisions of Subsection 9.6 above, only an authorized person shall park a vehicle or permit a vehicle to remain parked in a parking space with a parking meter cover to indicate reserved parking.
- 9.8 For the purpose of determining violations of the use of a parking meter, the fact that the parking meter indicates that the vehicle is unlawfully parked is prima facie evidence that such vehicle is unlawfully parked.
- 9.8.1 For the purpose of determining violations of the use of a parking meter, the fact that the parking meter is defective in any way indicates that such vehicle will be deemed to be unlawfully parked.
- 9.9 No person shall deposit or cause to be deposited in any parking meter any slug, device or other substitute for a coin of the Dominion of Canada.

- 9.10 Nothing in Subsections 9.2, 9.3, 9.4 or 9.5 of this By-law shall be deemed to permit a driver to stop or park at any location where, or at any time when, stopping or parking is otherwise prohibited.
- 9.11 Any vehicle on which an Ontario Veteran Plate is attached in accordance with the requirements of the *Highway Traffic Act* is exempt from Subsections 9.1 and 9.3 of this By-law with respect to use of metered spaces.
- 9.12 That the Director of Engineering Services, or their designate, be authorized to restrict the taxi stand locations, passenger drop- off/pick up locations and 15-minute parking during an emergency, maintenance event, unforeseen circumstances, or as required.

Municipal Parking Lots

- 9.13 The municipal parking lots to this By-law are set out respectively in Column 1, of Schedule “Y” to this By-law for the purpose of regulating hours of operation under Column 2, rates and daily maximums under Column 3, public monthly lease rates under Column 4 and merchant hourly discount rates under Column 5 of the said Schedule.
- 9.14 The Director of Engineering Services for the Corporation, or his/her designate, is authorized to place erect, maintain and operate ticket machines and to designate parking spaces in the municipal parking lots.
- 9.15 No person shall park, stop or leave standing any vehicle in a municipal parking lot when otherwise directed by the Director of Engineering Services for the Corporation, or his/her designate.
- 9.16 No person shall park, stop or leave standing a commercial vehicle or commercial motor vehicle in a municipal parking lot unless otherwise approved, in writing by the Director of Engineering Services for the Corporation, or his/her designate.
- 9.17 No person shall park, stop or leave standing any vehicle in a parking space in a municipal parking lot during the days and hours set out in Column 2., in Schedule “Y”, attached hereto, unless the ticket machine controlling such parking space is used and a fee is deposited in the ticket machine or any other authorized means, in accordance with the rates set out in Column 3 of said Schedule “Y” or after a ticket purchased for a specified time has expired.
- 9.18 Where the parking space has been designated by lines painted on the pavement in a municipal parking lot, no person shall park, stop or leave standing any vehicle in such a manner that it is not wholly

within the area designated as a parking space unless such vehicle is of such length as to render it impossible to park it in one parking space in which case the adjoining space shall, in addition, be used and the necessary deposit of coins, or approved form of payment, shall be made in the ticket machine controlling such parking space.

- 9.19 No person shall park a derelict motor vehicle in a municipal parking lot.
- 9.20 Every person receiving a ticket from a ticket machine shall place the ticket face up on the top of the instrument panel of the vehicle, near the left side, so that the entire ticket is clearly visible through the windshield from the outside and, if the vehicle is other than an automobile, the ticket shall be placed face up in an equally conspicuous place on the vehicle.
- 9.20 Where, by means of one or more signs, an area within a municipal parking lot is set aside for leased parking, no person, other than a person authorized by the Corporation, shall park in such an area.
- 9.21 No person shall deposit in a ticket machine any slug, device or other substitute for a coin of the Dominion of Canada or the United States of America.
- 9.22 Any vehicle on which an Ontario Veteran Plate is attached in accordance with the requirements of the *Highway Traffic Act* is exempt from Subsections 9.16 of this By-law with respect to use of municipal parking lots.

Article 10
