

A map showing the subject land, which is a small, irregularly shaped plot outlined in red. The subject land is located on the east side of Dundas Street West, south of Des Newman Boulevard. The map includes various colored areas: yellow for the subject land, orange for the area between Des Newman Boulevard and Dundas Street West, and a hatched area to the west of Dundas Street West. A green line indicates a boundary or path. A black cross symbol is located on Des Newman Boulevard. A label 'DP' is in a circle near the cross. A label 'Subject Land' with an arrow points to the red-outlined plot. A label 'Dundas Street West' is at the bottom. A red and black dashed line follows the boundary of the subject land and the area to its east.
