File #: Report PDP 47-24 (OPA-2024-W/05)

Subject: Replacement Attachment #4 to Public Meeting Report PDP 47-24

The purpose of this memo is to advise that Attachment #4 to Report PDP 47-24 includes a replacement page for Exhibit A to the Draft Proposed Official Plan Amendment #139: Strategic Growth Areas, Nodes and Corridors.

The replacement page corrects a mapping error on the draft proposed Exhibit A, which inadvertently proposed to re-designate lands on the north side of Dundas Street West, east of Lake Ridge Road, as "Mixed Use", when these lands should remain designated "Prestige Industrial". The lands on the south side of Dundas Street West are correctly shown as proposing a re-designation from "Special Purpose Commercial" to "Mixed Use".
