Annually, the Whitby Diversity and Inclusion Advisory Committee (WDIAC) recommends days of significance to Council for proclamations to raise awareness of culturally significant days and create community recognition, acceptance and support the development of an inclusive community. The Committee selected dates based on the Government of Canada's identified [commemorative days](#), community input and group consensus.

While WDIAC does not actively promote dates, save and except for working with the Town to promote events hosted by WDIAC (example: supporting the Region's Black History Month event), the Town actively promotes dates of significance through a variety of channels. These include the Town's website, social media, eNews, print advertising and other channels, as appropriate. Approved dates of significance are also specifically recognized on the Town's [Flag Raising and Proclamations](#) webpage.

The Committee has reviewed the 2025 days of significance and are advancing the attached dates (Attachment 1) for proclamation by Council.
