

Attachment #3 Proponent's Proposed Site Plan

NOTES:

- 100% of exterior light fixtures are designed to meet RP-8 Guidelines (Illuminating Engineering Society) and LED Standard (Section H) from the Town of Whitley Design Criteria and Engineering Standards.
- All Railings at heights resulting in fly-through conditions will have visual markers applied to mitigate bird and bat strikes on the building.

NOTE:
WALL MOUNTED LIGHTS (SEE LIGHTING PLAN AND LANDSCAPE PLAN)
